Probe: fpdf2 A4 page

Content: deterministic layout for CI smoke verification

Fields: project=GunSonu; module=PDF; test=smoke

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
