GunSonu - PDF Smoke Test

Timestamp: 2025-10-31 10:37:10

Probe: fpdf2 A4 page

Content: deterministic layout for CI smoke verification

Fields: project=GunSonu; module=PDF; test=smoke

This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.
GunSonu project: PDF module verification.
Ascii-only content to avoid font encoding issues.
CI pipeline artifact. Safe to delete.
Data: project=GunSonu; module=PDF; test=smoke; version=1.0.
This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.

Ascii-only content to avoid font encoding issues.

CI pipeline artifact. Safe to delete.

Data: project=GunSonu; module=PDF; test=smoke; version=1.0.

This is a deterministic smoke test line.

GunSonu project: PDF module verification.
